

Direct Deposit + Earned Wage Access

Add Branch to your isolved solution to enable Earned Wage Access and integrated direct deposit with employee cards. With Branch, you can streamline payroll processes, eliminate costly checks and paycards, and give your employees tools to help them become more financially secure.

Digital Wallet + Branch Card

Unlike traditional banking services, we offer a no-fee debit card with direct deposit that makes banking accessible for all workers.

- + Employees can instantly onboard through Rippling on day 1
- + No overdraft fees or annual fees
- + Free ATM access at over 55,000 locations
- + Available to minor employees ages 14+

Help build a financial wellness path for your employees.

Branch, in partnership with employers, is working to move beyond wage access to empower every American with tools to withstand a \$400 setback.

Getting Started with Branch is Fast, Flexible, and Free!
